

Welcome to.....

Belle Vue – Sunderland

I hope you find the enclosed information helpful and will provide all the information about the unique service we offer at Sunderland. Belle Vue is unique in offering services for older people within one care home setting. Within the information pack you will find more details of the therapeutic values which underpin our services. These include a full activity diary and a full restaurant menu with a range of dining and recreational lounges.

Please feel free to contact the home or visit at any time convenient to you for more information.

Kind Regards

Robert Lamb
